

Corporate Sponsorship Information

Our organization is having its 8th annual "Walk For Awareness" on October 10, 2009, at Winterplace Park in Salisbury, Maryland in conjunction with National Breast Cancer Awareness month. We expect to have approximately 1,000+ participants at this year's event. The event includes individuals, teams, and even your favorite canine. This is a great opportunity for you to advertise and show your community support since there will be media coverage. You can sponsor this event in any of the following three categories:

\$500.00 Level

- Your company name on the event t-shirt
- Two signs (18" x 24") to be displayed along the walk route
- A vendor table

\$250.00 Level

- Two signs (18" x 24") to be displayed along the walk route
- A vendor table

\$100.00 Level

- One sign (18" x 24") to be displayed along the walk route
