Dear (Family and Friends),

I am asking for your support in what I believe is a very worthwhile cause. I will be participating in **Women Supporting Women's (WSW) 8th Annual Walk Breast Cancer Awareness, October 10, 2009, at Winterplace Park in Salisbury, Maryland.** I will be raising money that will help WSW all those affected by breast cancer. I am walking in memory of those who have died from breast cancer and in tribute to those who are breast cancer survivors.

Your donation will be put to good use. Women Supporting Women is a regional, non-profit, grassroots organization dedicated to the support, awareness and education of those who have been diagnosed with breast cancer. Our group is currently celebrating its 16th year of service to Delmarva with offices in Salisbury, Crisfield, Berlin and Easton. All of our many, unique services are provided *free* of charge such as mentoring, informational tote bags for newly diagnosed and those going through chemotherapy, radiation and recurrence, monthly support meetings, a lending library, monthly newsletter, informative website, hats, scarves and caps, wigs , and much more.

Everyday, Women Supporting Women offers simple services to individuals who are suddenly forced to deal with a devastating disease that affects them physically and mentally...it touches every member of their family. They have earned the recognition and cooperation of the medical community, businesses, and civic organizations. WSW is not affiliated with any national organization so each and every donation to Women Supporting Women stays right here in our community.

Together can make a difference in the lives of all those affected by breast cancer. Please give generously to WSW and help me reach my goal. If you have any questions, please call me. You can make your check out to Women Supporting Women.

Thank you in advance for your support and your generous contribution.

Sincerely,
